Wharton School's Pension Research Council Welcomes J.P. Morgan Asset Management as Associate Member

The [Pension Research Council](#) at the Wharton School of the University of Pennsylvania is pleased to announce that [J.P. Morgan Asset Management](#) has joined the Council as an Associate Member of the Council for 2019.

[Ms. Anne Lester](#), a portfolio manager and Head of Retirement Solutions for J.P. Morgan Asset Management, commented, "The Pension Research Council of the Wharton School has made significant contributions to understanding how people worldwide prepare for retirement, and we are proud to provide continued support to this effort. We are committed to helping individuals, financial advisors and plan sponsors improve retirement outcomes, and look forward to working together to advance research, explore policy issues, and develop innovative approaches to retirement in the United States and abroad."

[Olivia S. Mitchell](#), Professor of Insurance/Risk Management and Applied Economics/Policy, and Executive Director of the Wharton's Pension Research Council at the University of Pennsylvania, said: "I am delighted that we are able to strengthen our research relationship with J.P. Morgan Asset Management and extend our joint work on retirement security."

The Pension Research Council is committed to generating debate on key policy issues affecting pensions and other employee benefits. The Council sponsors interdisciplinary research on private pension and social security programs, as well as related benefit plans in the United States and around the world. It supports scholarly research on global aging, successful retirement, and retirement income security while facilitating access to research and data critical to the investigation of retirement security. Recent working papers are available for download at [The Pension Research Council Working Paper Library](#).
